No late applications will be accepted. If requests exceed capacity, a random drawing, in the order outlined in Board of Education Rules, will determine which applications will be approved. Applications for Within-District Transfer filed earlier this school year for 2010-2011 will also be subject to these new procedures but need not be resubmitted. K-12 Within-District Transfers will be processed first followed by Open Enrollment and Option Enrollment requests. **No waiting lists will be maintained and all previous waiting lists will be eliminated.** Parent information meetings for special programs are being held as follows:
